

# How to use Staff Wars Live

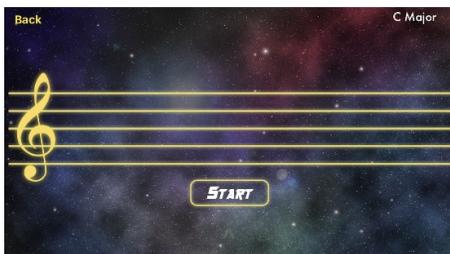

1. Download from the app store (Only available on iOS devices sorry)
2. Open to settings:

3. Choose "C Major"
4. Under instruments, choose the following:  
Cornet=Trumpet      Tenor Horn=Alto Sax      Trombone/Eupho/Baritone=Tenor Sax  
Eb Tuba= Bari Sax
5. The slider at the bottom moves the bottom note, the slider at the top moves the top note. The app will include all notes between these two. In the pic above it is set for 4 notes – C,D,E,F but you can choose whichever you like.
6. Hit save and it will take you back to the main menu, and select the treble clef on the left.

7. Hit start, and the game begins. The notes will move from right to left, and if the student plays them correctly, they should explode! If they don't, and the note moves all the way across, they lose a 'life'. Lose 3 lives and the game is over. Every 10 notes they get correct, it will go faster...

N.B. The note needs to be accurate – if they put the correct fingers down but play too low or high, the note will not register. Good luck!
