At Collingwood Town Hall

*A concert of the **Richmond Youth Brass Band** and the  
Brass Bands of **Richmond West Public School***

*Thursday 26 October 2023*

*6.30 – 8.30 pm*

## Principal's Welcome

I am very happy to welcome everyone to the concert this evening. I am also very happy that we are gathered at Collingwood Town Hall, one of Melbourne's most beautiful old town halls, which provides a perfect setting for the music you will hear this evening.

The band programme at Richmond West Primary School has grown in leaps and bounds over the past five years. The programme and culture that has flourished around it has added wonderful strength and vitality to our community. The concert this evening is the culmination of the aspiration, dedication and plain old hard work of those years.

I am very proud of the students and thank their parents and families for the support they give and take my hat off to Adam Arnold for the impact he has had on the school's music education programme.

The four bands on the programme have worked extremely hard to prepare for this evening. I know that the RWPS Rookie, Intermediate and Brass Bands are extremely excited about playing in front of their families and friends and I wish them all the best for a wonderful performance.

Peter James  
Principal, Richmond West Public School

## Music Director's Message

*Adam Arnold*  
*Music Director.*

This all started in 2018 when, as the parent of a prep student, I heard from a parents' forum that there was a desire for an instrumental music programme. My regular job is at a private school teaching instrumental music, so I approached the principal at the time, Tip Kennedy, with a hare-brained scheme to start up a school band, and now here we are, with around 100 students on stage tonight. This is a testament to the fact that there is a big demand for instrumental music in state schools.

Music in schools is so much more than learning to make sound on an instrument. Students learn how to listen, how to work together and most importantly, that what we can accomplish together is so much more impressive than what we can do by ourselves. The magnificent sounds you hear tonight are proof of that.

Brass bands in particular must blend and balance – becoming one sound. If I may paraphrase the RWPS motto – 'many instruments, one voice'.

A big thankyou to everyone who has helped make tonight happen. The RWPS FACE team, the RYBB Committee and all the parent volunteers.

A big thankyou to the amazing George Melitsis, giving up his time to show our kids just how amazing a cornet can sound.

A big thankyou to the City of Yarra for their support in providing tonight's concert venue.

A big thankyou to the staff at RWPS who support what I do. A particular shoutout to Naomi Dickers for her work with the Intermediate Band, Jessica Foeken in the office for keeping the books, Peter and Amanda for their regular support, and Tip Kennedy for allowing me to start this in the first place.

A big thankyou to the parents for all their support of the students – someone has to get the kids to their early morning rehearsals!

And lastly, a big thankyou to the students for being brave, persistent and an absolute pleasure to work with.

Have a great night!

## Guest Soloist – George Melitsis
